Dear Heavenly Brickks,

Thank you so much for supporting the American Heart Association in our fight to save lives from cardiovascular disease, which claims the lives of 2,380 Americans every day.

I want to let you know that your recent donation received on December 22, 2022 is having maximum impact ...

Your selfless support is helping to save lives! More than 670,000 women have been saved from heart disease and 300 fewer are dying per day because of our efforts to provide vital education programs and improve the quality of care in hospitals.

Without the support of generous donors like you, these achievements wouldn't be possible. **I am proud to say that Heavenly Brickks is a part of our monumental effort to help all Americans live longer, healthier lives!**

Thank you for impacting the lives of so many in Golden Bridge and across the nation.

Sincerely,

Heavenly BRICKKS,

Raymond P. Vara, Jr.
Chairman of the Board and Association in our
Volunteer for 16 years
