Dear Heavenly,

From the bottom of my heart, thank you so much for supporting the American Heart Association. For over 100 years we have been on the frontlines in the battle against cardiovascular disease, heart attack, and stroke—the leading causes of death in our country.

I'm pleased to share that your recent donation received on December 11, 2023 is having tremendous impact ...

**Your generosity is helping to save lives!** From 2010 to 2020, the annual death rate attributable to coronary heart disease in the United States declined 19.2%.

Without the support of generous donors like you, these achievements wouldn't be possible. I am humbled to include Heavenly Brickks among our valued supporters who are helping all Americans live longer, healthier lives!

Thank you for impacting the lives of so many in Goldens Bridge and across the nation!
