March 2025

Dear Friend,

Thank you for your gift

Please know, it is truly appreciated and will make a difference in the lives of our children by giving them a second chance and a new beginning. Our children grow stronger every day along with the love and support of their Boys Town family and their faith in God.

Gradually, our children learn how to move past the things that have caused so much pain in their lives and let the seeds of healing take root. Our boys and girls awaken from the cold and darkness of their past to the warmth and light of a brighter future.

Thank you for making this possible with your prayers and continued support!

Sincerely,

Father Jeff Mollner
National Director of Mission & Spirituality

P.S. As a thank you for supporting Boys Town kids, we want to give you exclusive access to our new Grandparenting Principles free email series! Once a week for four weeks, you'll receive advice and strategies, plus a teaching activity for you and your grandchild.
