Dear Friend,

Thank you so much for remembering our children this Christmas season with your gift

We are truly blessed to have the support of wonderful people like you.

Because of you, our children get to experience Christmas and all its traditions. The simple traditions you and I had as a child at Christmastime - decorating the tree, baking cookies, singing carols, going to church, and helping one another – are experienced by many of our kids for the first time at Boys Town.

Thank you for making that possible!

Most importantly, during this holy season, our kids experience the true meaning of Christmas and the gift of faith. Please keep our children in your prayers as we will keep you and your loved ones in ours.

May the peace and joy of Christmas be with you and your family throughout the coming year.

God's Blessings,

Father Steven E. Boes
National Executive Director

P.S. As a thank you for supporting Boys Town kids, we want to give you exclusive access to our new Grandparenting Principles free email series! Once a week for four weeks, you'll receive advice and strategies, plus a teaching activity for you and your grandchild.
