January 3, 2024

Dear Heavenly Brickks,

Thank you for your generous support and always caring for our nation's veterans — not only during this special season but all year long!

When veterans return home ill or injured, your support helps them access the resources they need to reshape their futures — futures like Oscar's. Oscar lost part of his right leg in an explosion caused by a suicide bomber in Iraq. He was left wondering what would become of his life. Fortunately, he found DAV — and thanks to friends like you, he found a new purpose. Today, as a DAV advocate, he fights to ensure his fellow veterans receive the benefits they earned.

"I wanted my tragedy to be turned into triumph for other veterans," Oscar says. "I also get to share how DAV changed the trajectory of my life."

Every day, veterans like Oscar find hope at DAV because of generous supporters like you. They find benefits experts, free transportation to medical appointments, employment resources, and more. Just as important, they find listening ears and open hearts.

Thank you again for all you do, and Happy Holidays!

With deepest gratitude,

Barry A. Jesinoski,
DAV National Adjutant/CEO
