Dear Lynn,

On behalf of every young person at Covenant House, thank you for your recent donation on 3/28/2025, and for demonstrating compassion and kindness right when it was needed most.

Your support helps give homeless and trafficked young people a fresh start this spring. Thanks to you, they have the safety and care needed to grow, overcome their challenges, and reach their greatest potential.

Raquel was just about to lose all hope when she found the support she needed from our community. "Covenant House was there when I had no one. I was a new mom, alone. They offered me prenatal care and my child got well visits for free," she says.

Because of friends like you, Raquel and her child received the help they urgently needed. Please, will you further your impact with an additional gift today? Anything you can give will make a life-changing difference for youth and young families struggling to survive this spring.

~~Lynn, thank you for giving our young people a safe place to grow.~~

With great gratitude,

Bill Bedrossian
President and CEO

P.S. Your support helps our youth flourish. If you can, please share an additional gift today to give more homeless young people the care they need to grow into their best selves.
