Dear Ms. Romano:

We're so grateful for your December 28th gift from the Heavenly Brickks Charitable Foundation to VNS Health (formerly VNSNY), made in honor of Raymond M. Romano. Thank you for your commitment to ensuring that every New Yorker receives the care they need and deserve, regardless of their ability to pay.

It is only thanks to generous contributions like yours that we can help people all across our city. From elders living alone who struggle with mobility and isolation, and patients recovering from injuries or surgeries, to those who need end of life care, you enable us to be there for everyone who needs us.

When you support VNS Health, you deliver a better today and a more hopeful tomorrow to New Yorkers who might not otherwise be able to find, access, or afford the care they need. Your contribution ensures that even in the darkest times, VNS Health's compassionate care will bring hope to our most at-risk neighbors.

Thank you for your donation and your continued support for our community.

Sincerely,

Andrew N. Schiff, MD
