"Comfort, give comfort to my people..."

Isaiah 40:1

Dear Friend of the Sacred Heart,

Thank you for responding so quickly! Your wonderful gift is already at work restocking our pantry shelves and freezers with nutritious food and easing the burdens of countless families and individuals who have nowhere else to turn.

We are called to prepare the way of the Lord, to give comfort to his people. Your generous contribution heralds this amazing season of Love, bringing their weary hearts comfort and peace.

Your compassion is the shining light of hope for our poorest brothers and sisters facing hunger here at Sacred Heart Southern Missions. Thank you.

May the Light, which is Christ, guide you through the coming year. May you and all those whom you hold dear, be blessed with peace now and always. You and your loved ones will have a special remembrance in my prayers and Masses. Merry Christmas!

Sincerely in the Sacred Heart,

Father Jack Kurps, SCJ
