Dear Heavenly Brickks,

The American Heart Association received your generous donation on May 05, 2023 and want you to know that your gift is working hard to help save lives. Your continued support is what keeps us in the fight to save lives from the nation's #1 killer, cardiovascular disease.

In fact, because of donor support - 22 million people are able to be trained in CPR each year! This is not possible without the generosity of our loyal donors.

Together, we are changing the outlook of cardiovascular disease in Golden Bridge and in communities all across the country with vital research and education programs, along with our push for improving quality of care in hospitals.

I am so grateful to call Heavenly Brickks a friend of the American Heart Association. THANK YOU FOR YOUR CONTINUED SUPPORT!

Sincerely,

Ray Vara
