

Dear The Heavenly Brickks Charitable
Foundat Family,

I wanted to take a moment to say
something very important: "Thank you!"

We are all so grateful for the support,
enthusiasm, and encouragement you've
shown to Special Olympics athletes.

Because of you, people with Intellectual
disabilities in your community and around
the country have been able to discover
newfound abilities, self-confidence, and
joy, both on and off the field.

We can't thank you enough for being a
friend, supporter, and champion of
Special Olympics. Your generosity means
the world to all our athletes!

Sincerely,

Stacey B. Hengsterman, President &
CEO
Special Olympics New York
