For over 130 years, New Yorkers have trusted skilled VNS Health professionals to provide compassionate care and help them live their best lives in their homes and communities.

It's thanks to the generous support of friends like you, that we can continue to deliver excellent care to thousands of New Yorkers, regardless of their ability to pay.

In 2024, VNS Health provided over \$69 million in charitable care and community impact programs, serving over 117,000 neighbors in need. This wouldn't have been possible without supporters like you!

Thank you Ms. Romano for being such an important part of our mission.
