Dear Lynn,

Thank you for your generous donation on 5/3/2023. Because of you, Covenant House can continue to serve the historic number of young people facing homelessness today.

Your help couldn't have come at a better time. The number of kids who need our services grows day by day, and with the current high cost of food and other essentials, we are experiencing a \$700,000 deficit that must be met by June 30th.

Lynn, with a second gift today, you would make sure no kid has to face the streets alone. More and more young people need the meals, shelter, counseling, and safety we can provide together.

We are grateful for your compassion and generosity towards every child in need.

With great gratitude,

Kevin Ryan
