Dear Ms. Romano,

Thank you for your recent gift (03/27/2025) in support of the Mission and charitable good works of the Franciscan Friars of the Atonement.

Your generosity enables me and my brother Friars to follow St. Francis's call to: *"Heal wounds, unite what has fallen apart, and to bring home those who have lost their way."* Your support allows us to bring hope to those who have lost hope and remind them Christ loves them – even in their brokenness.

Because of you, Friars are able to care for the sick; assist those in need; provide respite and spiritual healing; and aid those in recovery as well as those still suffering with addictions. At our Holy Mountain Franciscan Retreat Center and in parishes, schools, hospitals and ministries across the country and around the world, Friars are able to follow in the footsteps of Jesus and St. Francis because you too followed their examples and were kind and generous.

Through our ecumenical work, our Friars have worked tirelessly toward peace and unity by trying to reconcile the differences between Christians and those of other faiths. Through your support, we've helped so many of God's lost children find their way back to the Church.

In April, we celebrate the joyful season of Easter with the resurrection of Jesus. This month also holds special meaning as we honor the legacy of Mother Lurana White, SA, the foundress of the Sisters of the Atonement. She showed genuine concern for all those who struggle-in particular for the needs of the poor, frail, sick and elderly. Her commitment to faith and compassion reflects the spirit of Easter, embodying new beginnings and transformative joy that this season represents. In Mother Lurana's spirit of service, we remember you and your special intentions in our Masses and prayers.

May God bless and keep you always,

Father Bob Warren, S.A.
