Dear Lyn:

On behalf of Camp Sunshine's Board of Directors, staff, volunteers and especially our Camp families, I sincerely thank you for your donation received on January 6, 2021 to our Program.

We take a great deal of pride in our mission and accomplishments and are delighted to share with you what a wonderful investment your contribution is making in enhancing and touching the lives of children with life-threatening illnesses and their families. This past year presented many new challenges related to the pandemic and accentuated just how important our program is to our Camp Families. We remain steadfast in our goal to provide a supportive community to these families in 2021. Your help and caring support enables us to continue providing connections, special experiences and the ability to reach more families.

As we continue to meet the evolving needs of our camp community and the changing world around us, together we are making a difference and having an impact in people's lives when they need it the most. Thank you for giving us the opportunity to promote hope and joy, create moments that matter and cherished memories for our families. It is with your generosity that we are able to complete our mission.

With Gratitude,

Michael Katz
Executive Director
