Dear L. Romano,

Thank you for standing with Feeding America in the fight against hunger in New York and across the United States. Your recent donation to Feeding America is making a meaningful difference for neighbors in need. In fact, supporters like you enable us to serve more than 40 million people each year, helping provide them with groceries so they don't have to skip meals just to make ends meet.

Because of your support, more neighbors have food in the kitchen. During this difficult time, you are helping provide a lifeline for people facing hunger in America.

Due to your compassion, the Feeding America nationwide network of food banks can continue responding to the increased demand. Your support won't just help provide food to neighbors experiencing hunger—it will also provide hope when they need it most. Thanks again for your generosity.

Sincerely,

Jennifer Polk
Chief Marketing Officer, Feeding America

P.S. Please keep in mind that gifts are tax-deductible to the fullest extent allowed by law. Every dollar makes a difference and helps bring food to people facing hunger in America.
