Dear Heavenly Brickks,

Thank you for renewing your VVMF membership with your gift

I hope you'll carry the member card you received with pride and that it reminds you of how you're supporting important efforts to recognize the service of our Vietnam War heroes.

Your gift helps care for the Memorial site on the National Mall and allows efforts like our *In Memory* program to continue to honor all who served. Thanks to you, educators are able to access free *Education Resources* on our website that ensure students understand the impact of the Vietnam era from a balanced perspective. And we'll continue to honor hometown heroes as our mobile Wall replica, *The Wall That Heals*, travels across the country.

**Patriotic friends like you helped build The Wall 40 years ago. And it's your ongoing support that ensures no hero is forgotten. Thank you!**

Sincerely,

Jim Knotts  
President and CEO

**P.S. In honor of the 40th Anniversary of The Wall, we've kicked off our Legacy Challenge. This \$500,000 matching campaign will help honor Vietnam veterans for the next 40 years and beyond. Visit [vvmf.org/legacy](http://vvmf.org/legacy) to learn how you can answer the challenge.**
