Olympics**

Dear Heavenly Brickks Charitable Foundat,

Thank you for your recent gift on May 24, 2019.

Your generosity will make such a wonderful difference for us in New York, and for athletes like Grace Cregar.

Grace, who is 15, has blossomed into an ambitious and determined young woman since becoming a Special Olympics figure skater. "I love to win medals," Grace says. "But the important thing is to do my best and have fun while I'm doing it."

Grace is just one example of the way your caring and compassion is touching individuals with intellectual disabilities here and elsewhere. Together, we are changing lives!

Special Olympics athletes remind us every day of the importance of our mission. And your ongoing Partner support helps us provide the sports training and competitions that inspire health, joy and confidence.

Thank you, Heavenly Brickks Charitable Foundat, for caring and being part of our family.

Sincerely,

Stacey B. Hengsterman
