Dear Mrs. Brickks,

With support from donors like you, the Marine Corps Association Foundation is able to help develop leaders in the Corps by providing them with professional military education programs. Your gift which was received on November 19, 2019 ensures we can help today's Marines. Thank you!

For 244 years, Marines across the globe have been steadfast in honoring the core values of honor, courage and commitment. It is through these values that they are able to lead both on and off the battlefield. The Marine Corps Association Foundation is proud to support all Marines in their leadership development through our Commanders' Unit Libraries, Commanders' Forum Program and the Marine Writing Program.

Heavenly, your support of our Marines and our mission is truly appreciated.

Semper Fidelis,

Timothy S. Mundy  
Col USMC (Ret)  
Director, Foundation Operations
