Dear Friends of the Sacred Heart,

Thank you very much for your gift which will help provide our students at Holy Family with the skills they need to learn, to grow, to flourish and to build a brighter future.

Children at Holy Family School come from families struggling with unimaginable financial hardships. A quality education — a firm foundation not only in academics but also in Christian values and respect for others — is essential if these children are to beat the odds and successfully break the cycle of poverty.

Thank you. You are changing the life of a child, their family, the local community and countless others that they will touch throughout their life.

Your encouraging words and prayers inspire our students and teachers. They are very grateful for your care and concern for them!

You and your family are in my prayers. The children remember you in theirs, as well. God bless you.

Sincerely in the Sacred Heart,

Father Jack Kurps, SCJ

that they will touch throughout their life.
