Ms. Lyn S. Romano

Dear Ms. Romano:

Your November 20, 2019 gift in memory of Raymond M. Romano from the Heavenly Brickks Charitable Foundation brings the familiar knock of the Visiting Nurse Service of New York into the homes and communities of uninsured and vulnerable New Yorkers.

Thank you for your generosity. I am pleased to let you know that your gift has been matched by our Board of Directors! Contributions from friends like you ensures that VNSNY can be there for people of all ages, backgrounds, and neighborhoods across New York – regardless of ability to pay.

This gift helps our skilled and compassionate staff deliver services to patients like Arjan. He was uninsured, and after a hospitalization for congestive heart failure, he had nowhere to turn. To make matters worse, he was grieving because he had recently lost his wife.

Luckily, VNSNY care coordinator Carol was there to help him and his daughter, Rina. "He's changed a lot compared to when he first came home," says Rina. "He's much more calm and secure, and less nervous than before. I feel relief now that a team is helping me care for him and keep him safely at home."

Your loyal support helps VNSNY continue to deliver care to our vulnerable neighbors like Arjan – care that keeps them at home in a safe, familiar, and comfortable setting. Thank you again.

Best regards,

Andrew N. Schiff, MD
Board Chair
