Dear Ms. Brickks,

When I hear from wonderful friends like you, my heart fills with joy. You know how important it is to help our most vulnerable neighbors during the holidays. Thank you for your generous gift to our 2019 Holiday Appeal, which we received on 11/20/2019

You are making a real impact – right now. As you know so well, the holidays can be difficult for many of our neighbors. Your gift is providing food, shelter, and joy to people in need this season and throughout the year. You are also allowing us to never abandon our mission and our moral obligation as a community to reach out to everyone who needs us.

Our Hope & Hearth Holiday Food Program - which provides food vouchers to the elderly, veterans, and families in our residences - is just one of the many ways that we make sure that vulnerable men, women, and children are not forgotten during the holidays - like we have every year since 1896.

Your compassion, your love, is truly bringing holiday joy to people who desperately need it. You're answering the call for help. For that, I can never thank you enough.

Warmest Regards,

Tere Pettitt
