Dear Friend,

Thank you so much for your gift

Because of you, our children get a chance to be kids again. Your thoughtfulness makes it possible for our boys and girls to experience a family Christmas and everything that goes with it!

Many of the things you and I got to do at Christmastime – going to church, trimming the tree, baking cookies, singing carols and sharing with one another – are experienced by many of our kids for the first time at Boys Town.

Thanksgiving and Christmas hold special significance at Boys Town – the joyful spirit that returns when our kids become part of a healthy, loving family. It's one of the greatest gifts any child can receive... a true miracle.

From the bottom of my heart, thank you for your generosity and please remember our children in your prayers.

God's Blessings,

Father Steven E. Boes
National Executive Director
