Heavenly Brickks Chiaritable
PO Box 721
Goldens Bridge, NY 10526-0721

Dear Heavenly,

~~Thank you so much for sending your gift.~~ Your generosity helps keep the promise made to our service members to never forget their service and sacrifices.

The Vietnam Veterans Memorial Fund (VVMF) receives no government funding. It's only because of donations from patriotic friends like you that we are able to continue our mission to educate all generations about the impact of the Vietnam War and to share the legacies of our service men and women.

Your gift helps with the care and preservation of The Wall and also supports important VVMF programs. Through ceremonies, online educational resources, and outreach efforts, like *The Wall That Heals*, millions of Americans each year learn about our Vietnam War heroes. By sharing their personal legacies, future generations can be educated and inspired. And for all who lost loved ones, The Wall provides connection and healing.

Visiting The Wall, either in person or from afar, is a moving and powerful experience. I hope you'll visit our website, vvmf.org, to learn more about this beloved memorial by taking a virtual tour and to see the many ways your support is making a difference.

Thank you again for your generosity. Because of you, no hero will be forgotten!

Sincerely,

Jim Knotts
President and CEO

P.S. You may have the opportunity to increase the impact of your contribution. Many employers will match some of your gifts, even if you are retired. Please contact your personnel/human resources office for more information.

P.P.S. As a VVMF member, I hope you'll look forward to receiving invitations to special events, a beautiful calendar, and other gifts throughout the year. Thank you again!
