Dear Lyn Romano,

I hope you and your family are safe and healthy in these challenging times. Your gift to Make-A-Wish® Hudson Valley has helped make an extraordinary impact in a child's life. Thank you so much for your generosity, and for bringing strength, hope and transformation to wish kids when they need it most.

To show you just how much your support means to us, we've enclosed your personalized certificate of appreciation. I hope you display it with pride, knowing that your support is touching the lives of wish kids across the country. Right now, due to COVID-19 related postponements, more children are waiting for wishes than ever before. With your help, we can prepare today so that every child who has waited for a wish, since this health crisis hit, will receive their wish as soon as possible.

Lyn Romano, we believe that a wish is a crucial part of a child's health journey. In fact, research shows that wishes can help children gain the emotional and physical strength they need to continue fighting their critical illness.<sup>1</sup>

In addition to your impact in the lives of wish kids, your commitment to the Make-A-Wish community has many other benefits. When you give at the \$250 level, you will receive a special Make-A-Wish pen. And at the \$500 level, you will receive the pen and a Make-A-Wish journal. These exclusive gifts are our way of saying thank you for your exceptional dedication to wish kids and their families.

We are so grateful that you have decided to join us in our vision to grant the wish of every medically eligible child. Together, we can **transform lives, one wish at a time.**<sup>SM</sup>
