Dear Fund Advisors,

Thank you from everyone at St. Jude Children's Research Hospital® for recommending the recent grant through your donor-advised fund. The generous support of the Heavenly Brickks Charitable Foundation helps us find cures for children battling cancer and other life-threatening diseases.

Your support means the world to the families who turn to St. Jude for hope and healing. Your generosity helps us offer cutting-edge treatment for our patients, while we tirelessly pursue the science that will lead to new discoveries, and ultimately, cures.

We look forward to future opportunities to partner with the Heavenly Brickks Charitable Foundation. I hope you will contact my team at (800) 910-3172 or daf@stjude.org if we can help you in any way.

Thank you again for everything you do in support of our lifesaving mission.

Sincerely,

Regina P. Watson
