Dear Ms. Romano:

In such a challenging year, we're so grateful for your generosity. Your December 22nd gift to VNSNY provides critically needed care and life-changing programs to thousands of New Yorkers who need expert and compassionate home and community care. Thank you for your support. I am pleased to let you know that your gift has been matched by our Board of Directors!

Contributions from caring friends like you help those in need, like our patient Carl. After Carl recovered from COVID-19 with VNSNY's support, his wife Sharon wrote a touching letter thanking the members of his care team. "When my husband arrived home from the hospital, he was very weak, had difficulty walking, and wasn't eating," she wrote. "The VNSNY team was our salvation."

Again, thank you for your contribution and all the care it brings to our neighbors in need — regardless of their ability to pay.

Sincerely,

Andrew N. Schiff, MD
Board Chair

P.S. Your donation makes a difference to New Yorkers in need! Read some of their stories in the VNSNY Community Impact Report at www.vnsny.org/cir.

Donor Notification: In accordance with Internal Revenue Service Requirements, we confirm that no goods or services have been provided in exchange for your contribution.
