Dear Friend,

Thank you so much for your gift

You bring the light of Christmas to the children who need it the most.

As you can imagine, Christmas can be a difficult time for many of our children as they realize what they've missed during their young lives. For many, Christmas was just another day with little or no celebration. That's why we celebrate all those Christmas traditions you and I experienced growing up and why Christmas is so special for our kids.

Those happy and sacred holiday traditions have been part of Boys Town's Christmas celebrations for more than 100 years and fill our kids' lives with cherished memories that will lighten their troubles, strengthen their souls and remain with them forever.

Thank you for making that possible.

May the peace and joy of Christmas be with you and your family throughout the coming year. Please keep our children in your prayers and we will keep you and your loved ones in ours.

God's Blessings,

Father Steven E. Boes
National Executive Director
