Dear Lyn,

Thank you for your generous gift to the Community Center of Northern Westchester.

With your support, we can lift up all in our community who are struggling to put food on their tables and turn to us for help. Currently, we are aiding 3,000 local households who face extraordinary challenges by providing food and clothing assistance to meet their basic needs and programs and resources to support their journey back to self-sufficiency.

We appreciate you joining us in offering hope and opportunity when our neighbors need it most. We could not do this important work alone!

Thank you for making our community a better place for everyone.

With best wishes,

Dearest Lyn,
Clare Murray, We are so grateful for all your help. Thank you!
Clare Murray who face extraordinary challenges by providing food and clothing assistance to meet their basic needs and programs and resources to support their journey back to self-sufficiency.
Executive Director With love,
Clare
