

Lynn,
Your kind donation is a lifeline to kids
struggling to overcome homelessness.
Thank you so much!

*Thanks for
your gift!*

Lynn Romano

January 13, 2023

Dear Lynn,

Thank you so much for your generous donation to Covenant House. Please know your gift is already making a life-giving, and in many cases a life-saving, difference in providing shelter, food, and loving care to homeless kids who would otherwise be suffering tonight.

But there are still too many young people who are starting out this year homeless, scared, and alone. We need your help so that we can continue to provide essential resources and support to homeless youth. A donation would help us send even more outreach teams, provide even more meals, and give even more love and care to the kids who need it most.

Lynn, we would not be able to impact so many young lives without the support of generous and compassionate donors like you. Thank you.

With great gratitude,

President

P.S. The situation is urgent! There are still thousands of kids who are beginning this year homeless. Sending a donation today will help give them the support they need in 2023.
