

Dear Friend and Neighbor,

Thank you so much for your generous donation to the Coalition for the Homeless!

Your gift is already at work bringing critical help to our neighbors in need, including food and clothing, emergency shelter, crisis services, eviction prevention, job training, and youth programs.

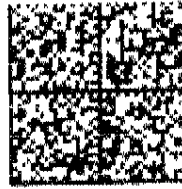

It has been an extraordinarily challenging time, but thanks to your invaluable support, the Coalition has been able to step up to meet the tremendous surge in need by expanding our services, and bringing help and hope to those who have nowhere else to turn.

Your compassion is truly making a difference, and I cannot thank you enough!

Gratefully,

Dave Giffen
Executive Director
