

Dear Heavenly,  
Thoughtful veterans often thank DAV for helping  
them and their families.

I tell them it's because of people like you, who  
understand the scope of their sacrifice and want  
to give back, that makes it possible for DAV to  
provide services.

I'm thankful to our disabled veterans, and tell  
them so... but today, I want to thank you. We  
are changing lives together.

If I can be of assistance, please contact me at  
859-442-2350.

With sincerest gratitude,

Shaonda Hollon  
Stewardship Manager
