

Special Olympics

January 3, 2023

Dear Heavenly Brickks,

Thank you so much for your recent Winners Circle gift on December 20, 2022. It's wonderful to have you back. Your continued generosity is so important to us.

Your 2022-2023 Certificate of Membership is enclosed here with our gratitude for your participation and support at the Bronze Level. We hope you will display it with pride and think of the athletes and families here and elsewhere who benefit from your generosity in such profound ways.

Your loyal support makes a tremendous difference for athletes like Amanda Vito. She was adopted from Colombia at 10 years old and was often made fun of because she was different. All she wanted was to be accepted. Thanks to Special Olympics, she found a community that celebrates and supports her.

"I am forever grateful for the encouragement, inclusion and acceptance I have felt being a part of Special Olympics," says Amanda. "Thank you for giving me the chance to play and for believing in me!"

Once again, Heavenly Brickks, thank you for your generosity as a member of the Winners Circle.

Sincerely,

Stacey B. Hengsterman
