Dear Lyn,

Support Connection's Annual Support-A-Walk was held on Sunday, October 4, 2020. Thank you for being a part of the Walk by being a **Major Sponsor**.

Due to the COVID-19 pandemic, our Walk had to take on a new look. Since we offer support to people nationwide, we welcomed supporters to **Walk With Us, Wherever You Are**. While we missed gathering with thousands in the park, it was heartwarming to see that thousands walked in their own communities throughout the country. They walked in unity with Support Connection, helping raise funds for our breast and ovarian cancer support services.

All of our counselors at Support Connection have experienced cancer and are passionate about making a great difference in the lives of people reaching out to us. This enables the people who turn to us to find strength and have hope. Your generosity ensures that we will be able to maintain and enhance our support services.

Kendra, one of the people who has turned to us, captures the essence of Support Connection:

***"Support Connection is uniquely positioned to provide direct support to those who need it. They were there for me when I needed them. The Walk is important because it makes it possible for Support Connection to continue its work."***

On behalf of all the people whose lives we touch, thank you for believing in us. You are helping us make a difference. We look forward to next year's Annual Support-A-Walk that will be held on Sunday, October 3, 2021. We hope you can join us once again!

Gratefully,
