Turning on the stove is no way to heat a home...

Dear Friend of the Sacred Heart,

Living in poverty means constantly balancing competing necessities. In northern Mississippi, in the dead of winter, being poor often means struggling with the cold — not just the cold outside, but also the cold inside. They *pray* for heat.

Thank you for responding so generously to their need! Your gift will help us provide assistance to the many who struggle with soaring utility bills and heating fuel costs through the next months.

Through your compassion, we will be able to make critical repairs to dilapidated trailers and old homes like Carolyn's, to help the poor stay warm. Through your giving, we will also be able to provide the much-needed warm blankets and heavy winter clothing to help these families through the freezing winter months.

Your gift will also help us deliver safe, energy-efficient space heaters to replace dangerous heating choices for those in need.

God bless you for warming the hearts and homes of the poor and helping keep the families of Sacred Heart Southern Missions safe this winter.

You and your loved ones remain in my prayers.

Sincerely in the Sacred Heart,

Father Jack Kurps, SCJ
