May, 2019

Dear Friend,

Thank you for your recent gift Your faithful prayers and gifts continue to bring hope for a bright future to the children in our care.

I'm proud to say 82 young men and women will graduate this May from Boys Town High School!

Because of your generosity, our seniors have achieved their academic goals and will make the most out of their second chance at life. Please pray for their continued success and for those students working hard to reach that same goal next year.

As these young adults move forward to pursue their dreams, they have you to thank. For this, I am forever grateful.

God's Blessings,

Father Steven E. Boes  
National Executive Director
