Dear Friend,

Thank you for your recent gift in honor of Memorial Day and the legacy of all the service members lost in battle over the years.

These souls – and the 30,000 paralyzed and severely wounded veterans I am proud to serve – represent what is so honorable about America. Your gift and your willingness to stand up for paralyzed veterans demonstrate why we are fortunate to live in the greatest nation on earth.

I have also arranged for your signed Memorial Day card to be placed on the meal tray of a paralyzed veteran. Your humble act of kindness sends a message — that rings loud and clear — that you will never forget those who have served so bravely in our armed forces.

As a paralyzed veteran myself, I cannot think of anything more inspiring. Thank you for remembering our heroes' sacrifice, and thank you for being such a true friend.

God bless our nation and those who serve,

David L. Zurfluh
National President (and paralyzed veteran)
