Dear Heavenly Brickks:

Thank you for your donation received on May 13, 2019 in memory of Raymond M Romano.

Because of your generosity and compassion, we are able to train and deploy volunteers, educate local health care workers, combat disease, strengthen existing health systems, and undertake new, badly needed programs of health educations and training. And when disasters strike, volunteers and donors like you help Project HOPE respond quickly and nimbly.

On behalf of all of us at Project HOPE, on behalf of the world's most vulnerable people who will forever be grateful for medical help, and on behalf of the health care staff in country who will successfully care for generations to come, I can never thank you enough.

Sincerely,

A handwritten signature in black ink that reads "Tom Kenyon".
