Dear Friend,

Thank you for your recent gift (11/06/2019) to the Friars in support of our Mission, ministries and the new **St. Anthony Shrine Prayer Walkway**.

Our founder, Fr. Paul Wattson first turned to St. Anthony of Padua – “the Saint of Miracles”— for help more than 110 years ago. To this day, we Friars continue to seek St. Anthony’s intercession through daily prayer — confident that he will intercede on our behalf to hear the prayers and petitions of the faithful that we bring to him.

Fr. Paul always dreamed of building a national shrine to St. Anthony at Graymoor. In 1960, his dream was realized and our St. Anthony Shrine was dedicated. Annually tens of thousands of pilgrims and devoted benefactors come to Graymoor and visit the Shrine. Many have wanted a way to have a permanent tribute there. *We are so happy that we are now able to offer this special opportunity at the St. Anthony Shrine Prayer Walkway!*

I am especially pleased that as a dear and faithful friend and supporter, you have become a special part of our community and will have a permanent presence here at Graymoor with us through your support of the new Prayer Walkway. In recognition of your generous support, a Special Prayer Walkway Registry of tributes and prayer intentions will be maintained in the Friars’ Chapel where each evening they will be remembered in prayer – and of course also as my brother Friars and I walk along the new Walkway and see the loving tribute bricks installed there.

As always, we are deeply grateful for your help in caring for so many of God’s children. Through your offerings to our ministries you help us serve those in need, those suffering from addiction and alcoholism as well as those in hospitals, hospice and suffering with HIV and other diseases.

May God bless and keep you always,

Fr. Robert Warren S.A.
