Over 25 Years of Neighbors Helping Neighbors

Dear Lyn,

We truly appreciate your thoughtful contribution in memory of Raymond Romano, to the Community Center of Northern Westchester. Together, with your support, we can make strides to end food insecurity for our neighbors in need.

We continue to see the devastating impact of the pandemic on the economic security of local families. By providing food and clothing assistance, programs to improve job opportunities and access to other resources, we reduce the financial burden on families and offer hope and stability during difficult times.

We could not do this important work alone, thank you!

With best wishes,

*Clare Murray*
