Dear Friends,

I hope that you and your family are safe and healthy. Thank you so much for your recent additional gift on 04/27/2021. Your extraordinary generosity, especially during these challenging times, is helping Make-A-Wish bring strength, hope and transformation to children with critical illnesses every day.

Every gift you give touches the hearts and lives of wish kids across the country – and we cannot thank you enough. Right now, due to COVID-19 related postponements, more children are waiting for wishes than ever before. With your help, we can prepare today so that every child who has waited for a wish, since this health crisis hit, will receive their wish as soon as possible.

The wishes you help us grant make a meaningful, long-term impact on children with critical illnesses. In fact, research shows that a wish experience can significantly improve a child's quality of life and soothe their feelings of anxiety and fear.<sup>1</sup>

Your support of Make-A-Wish Hudson Valley creates life-changing experiences for children and their families during some of their most difficult days.

Thank you again for being a part of our community. Together, we can *transform lives, one wish at a time*<sup>SM</sup>.

Gratefully,

Richard K. Davis  
President and Chief Executive Officer
