Dear Ms. Romano:

On behalf of our staff and patients, thank you for your April 30th gift from Heavenly Brickks Charitable Foundation to the Visiting Nurse Service of New York (VNSNY), made in memory of Mr. Raymond M. Romano. Your generosity is crucial in ensuring that all New Yorkers have access to the home- and community-based care they need, especially those who often fall through the health care safety net.

We are especially grateful for your support during this difficult time. Your gift brings care to patients suffering from COVID-19, and those who need VNSNY's help recovering from other illnesses and injuries. It also helps keep our staff safe while they are delivering care in the midst of a pandemic.

As Miles, one of our patients, said: "My wife and I do not have the words to express our deep gratitude for your compassionate assistance and the wonderful efforts of all we encountered in connection with my ordeal with COVID-19."

Again, thank you for your contribution and all the care it brings to our neighbors in need — regardless of their ability to pay.

Sincerely,

Andrew N. Schiff, MD  
Board Chair

*P.S. Your donation makes a difference to New Yorkers in need. Read some of their stories in the VNSNY Community Impact Report at [www.vnsny.org/cir](http://www.vnsny.org/cir).*
