Dear Heavenly Brickks,

On behalf of our less fortunate neighbors, thank you for your generous gift of \$1,000 to Volunteers of America -Greater New York. Together, we can help those in greatest need in our community.

Your support makes it possible for us to reach out to struggling people who have nowhere else to turn. Thanks to you, we can be there for families like Gabbie's ...

Gabbie was born with a rare birth defect. When she needed emergency surgery, her dad missed work, then lost his job. Soon, Gabbie's parents were overwhelmed with expenses and lost their home. But, thanks to friends like you, we were able to give them a place to stay while they got back on their feet. Now, Gabbie can receive the care she needs ... in a safe, loving home. Your generosity means the world to families like hers.

Our nation was built on compassion. Thank you for being a great American. Your generosity is changing lives!

Gratefully,

Dolores Swirin-Yao
Vice President, Development

P.S. Thank you for being there for struggling Americans who fall through the cracks. Another gift today would make an even greater impact!
