Dear Heavenly Brickks Charitable Foundation:

I write many thank you letters, and taking a few minutes to thank a friend who makes PVA's programs and services possible is always a pleasure.

Perhaps the best way I can thank you for your recent gift is to tell you what your gift does. Your support helps restore the lives of veterans who are paralyzed by spinal cord injury or disease, men and women who have given far more in service to our country than they ever bargained for.

Your care and support makes great things possible for PVA members and many other Americans with disabilities. I hope that you will continue to share in our triumphs, for they are yours as much as ours. Thank you again for being a true friend to America's Paralyzed Veterans.

Sincerely,

Charles O. Brown  
National President (and paralyzed U.S. Marine Corps Veteran)

Please note: In response to Internal Revenue Service requirements, we provided no goods or services in return for your gift. **This letter should be retained for your tax records.** Our Tax ID number is 13-1946868.
