

Dear Friend and Neighbor;

Thank you so much for your gift to the Coalition for the Homeless!

The generosity of supporters like you has kept the Coalition's doors open these past 40 years, allowing us to provide stability and critical support to those most in need.

Your contribution is truly saving lives and we cannot thank you enough for your kindness and compassion. Your gift is providing emergency food and clothing, crisis services, eviction prevention, youth programs, job training, and permanent housing to thousands of homeless and low-income individuals and families each day.

Gratefully,

Dave Giffen
Executive Director
