Dear Friend of the Sacred Heart,

Thank you very much for your recent, generous gift to continue the work of our volunteer program in the coming months.

Gratefully, we continue to be blessed with students, church groups, clubs, families and individuals who respond to our call for volunteers. They help us make needed repairs on the homes of the disabled and elderly poor. Each of our volunteers is eager to make a difference in the lives of others.

But none of this work would be possible without your compassion and generosity. You help provide the building materials and supplies our energetic volunteers will use to restore the homes of those in need — together you and the volunteers will make a difference in the lives of the poor.

We truly appreciate your support as we seek to help those living in deplorable conditions across northern Mississippi. Through your compassion and that of our volunteers, we will continue to restore hope and dignity and improve the lives of the poor, one home at a time.

On behalf of all of the families whose homes will be repaired this summer, thank you! very much for your recent, generous gift of \$150.00 to continue the work of our volunteer program in the coming months.

May the Sacred Heart bless and protect you and your family. I will remember you, your loved ones and your special intentions in my prayers.

Sincerely in the Sacred Heart, disabled and elderly poor. Each of our volunteers is eager to
