Dear Friends,

I hope you and your family are safe and healthy in these challenging times. Every time you give to Make-A-Wish®, you help make an extraordinary impact in a child's life.

Your recent gift on 11/02/2020 in memory of Mr. Raymond M. Romano, especially at this crucial moment, is helping Make-A-Wish bring strength, hope and transformation to children with critical illnesses.

Your support of Make-A-Wish Hudson Valley creates life-changing experiences for children and their families during some of their most difficult days. Right now, due to COVID-19 related postponements, more children are waiting for wishes than ever before. With your help, we can prepare today so that every child who has waited for a wish, since this health crisis hit, will receive their wish as soon as possible.

On behalf of the entire Make-A-Wish community, thank you for helping us *transform lives, one wish at a time*™.

Gratefully,

Richard K. Davis  
President and Chief Executive Officer  
Make-A-Wish America

P.S. There are more children than ever who are eagerly awaiting the day their own wish will be granted. Any additional support you can give, especially now, is much-needed and deeply appreciated.

Your contribution may be tax deductible. This letter will serve to confirm that no goods or services were provided to you for this donation.
