Dear Mrs. Romano,

Thank you for your gift to Northern Westchester Hospital (NWH) in memory of Raymond Romano.

Your generosity helps NWH provide high-quality, person-centered care and medical and surgical excellence to everyone who enters our campus or uses one of our ambulatory facilities.

We are proud that NWH is one of the highest-quality hospitals in the country.

- **Received a 5-Star rating**, the highest rating possible, from the Centers for Medicare and Medicaid Services (CMS). This places NWH among a few select hospitals in the U.S. to earn this rating for superior quality care.
- **Named America's Best-in-State Hospital** by Newsweek for setting new standards in patient care and innovation.
- **Recognized as one of America's 250 Best Hospitals** by Healthgrades, putting NWH in the top 5% of hospitals nationwide and **100 Best Hospitals for Coronary Intervention**.
- **Named a Best Regional Hospital in New York State** by U.S. News and World Report for high-quality care. We also earned a top 50 status nationally for pulmonology and lung surgery.

These successes are possible because of your partnership, which accelerates growth and allows us to continue to invest in your hospital. Thank you for being part of our family of donors and allowing us to care for you and your loved ones.

Sincerely,

A handwritten signature in cursive script that reads "Keeva Young-Wright".
