*"For I was hungry and you gave me food, I was thirsty and you gave me drink..."*  
- Matthew 25:35

Dear Friend of the Sacred Heart,

Thank you for responding so generously! Your gift will help restock our food pantries and maintain inventory through the next few months.

Your compassion will also help us overcome the challenges associated with the influx of hundreds of new families seeking to put food on the table.

Through our giving, we will be able to provide the much-needed meats and proteins to round out nutritious meals.

Thank you for being a partner-in-mission. Because of your generosity, families living in poverty will experience the love and mercy of the Sacred Heart.

You and your loved ones remain in my prayers.

Sincerely yours in the Sacred Heart,

*F. Jack Kurps*
