Dear Heavenly Briccks Charitable Foundation:

Thank you for your generous donation made to Special Olympics in memory of Raymond M. Romano.

Your investment in Special Olympics programming allows us to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

In making this gift you are joining a global network of Special Olympics fans working to unleash the human spirit through the transformative power of sport—thank you!

Sincerely,

A handwritten signature in black ink that reads "Nicholas Morgan".
