Dear Heavenly Brickks,

When the idea to create a family foundation first surfaced, it was inspired by a desire to preserve the memory of Henry Edward's excessive love of life, his unique wit, and his devotion to his family and friends. We also needed to capture the love and compassion he showed towards others even though he himself struggled in a fourteen-year battle with a disease that would not be defeated. The inner strength he possessed often amazed us as he continued his journey along with his sidekick, Knoxville Von Puppenstein.

The Uncle Hankie Family Foundation, Inc. as a recognized New York State Not-for-profit Corporation, will devote its efforts to bringing quality of life to the sick and disabled. We will target children and young adults, helping them share in the mutually beneficial bond that pets create. The relationship is one that positively influences the health and well-being of both partners.
